TIAAKIKI
COMPUTERSCIENCE

Profile

As a fresh Computer Science graduate, I am deeply passionate about continuously improving my skills and expanding my knowledge in the field. I am eager to find opportunities to work in a dynamic and challenging environment where I can begin learning and gain valuable experience.

Experience

Junior Full Stack Developer
Konstratek, Broumanah | July 2023 – Present

- ❖ Working on archibus, using JavaScript, XML, Java and SQL.
- ❖ Created strong solutions for better system performance and user experience.
- ❖ Working on improving the user interface with React.js for a better user experience, and using Node.js for efficient and scalable backend processes.
- ❖ Managed databases efficiently with SQL for quick and accurate data retrieval.
- ❖ Working on REST APIs for seamless communication between frontend and backend.
- ❖ Provided ongoing support for the website and troubleshooting to maintain code qulity and system stability.

Junior Developer Integration
Infostrucure, downtown | January 2023 – March 2023

- ❖ Worked with integration middleware using Oracle Service Bus (OSB), Oracle JDeveloper, XML, XSD and XQuery where I focused on integrating different application through REST and SOAP APIs.
- ❖ Worked in designing and implementing data transformations, validations, and mapping using XSD and XQuery in OSB.
- ❖ Monitoring and optimizing middleware performance to ensure seamless communication and data exchange between different systems.
- ❖ Troubleshooting and resolving problems with middleware solutions.

Front-End Web Developer
Adcreators Mena, Jbeil | March 2022 – September 2022

- ❖ Worked with an agile team on developing, maintaining, and tracking progress in projects and websites using tools such as Jira and Git.
- ❖ Worked on designing fully responsive using react.js and several others library like materialUI and SCSS.
- ❖ Worked with redux for API and data control from the frontend.

- LinkedIn

Skills

- JavaScript
- React.js and Redux
- Rest API
- Python
- Django
- HTML
- CSS and SCSS
- XSD and XQuery
- SOAP API
- Java
- SQL

Tools & Technologies

- VS Code
- Git
- Jira
- Postman
- Oracle Jdeveloper.

Other Skill

- Adobe Illustrator

Communication Skills

- English
- Arabic
- French

Education

- **Arts, Sciences and Technology University**
  Lebanon-AUL-Jounieh | 2018-2022
  Bachelor of Science in Computer Science-GPA: 2.91

- **Collège des Sœurs des Saints-Cœurs**
  Kfardebian | 2003-2018
  Lebanese Baccalaureate II, Life Sciences (SV)
